Health Shuttle

When you need to travel to a health appointment

Depend on us to get you to your health appointment

If you have difficulty getting to your medical appointment because of health or mobility problems, our St John Health Shuttle service can help. We can take you from your home to appointments.

St John Health Shuttles operate on a booking system

We encourage you to ensure your appointment times correspond with the local shuttle operating times. When your appointment is over, we will be there at a scheduled time to pick you up and transport you home again.

All St John Health Shuttle staff contribute directly to the welfare of their local communities. They will make sure you receive the care and attention you need for a safe and comfortable trip. There is also the added reassurance that should you require assistance, a trained first aid person is at hand.

St John Health Shuttle

- St John Health Shuttles operate on Mondays to Fridays, except on public holidays.
- Each local service operates to meet local needs.
- Health Shuttle bookings should be made at least 24 hours before your appointment.
- Health Shuttles are provided as a community service, and any donation you make assists us to keep the service running.
- Please remember if you need an ambulance in an emergency, always phone 111.

If you, or someone you know would benefit from St John Health Shuttles call 0800 ST JOHN (0800 785 646).

Sharon's story

When Sharon Wards snapped a tendon, and was unable to put weight on her leg, the St John Health Shuttle in Dannevirke took her to appointments at hospital.

Sharon attributes the success of the service to the 30 big hearted local volunteers. They provide a door to door service for people needing help to get to medical appointments.
