

Did you know?

St John Youth

- ▶ St John Youth focuses on teaching young people first aid, health care, leadership and general life skills.
- ▶ St John Youth began in New Zealand in 1927 with the first division opening in Wanganui. It is our 85th anniversary this year.
- ▶ 181 active Youth divisions meet across the country every week.
- ▶ There are currently 904 volunteer Leaders and 5,777 young people involved with St John Youth.
- ▶ By 2020 St John Youth want to have achieved the long standing goal of 10,000 young people involved, with an additional 10,000 young people (potentially from around the world) connected via an online curriculum.
