The contribution of our volunteers

- ▶ St John has been a volunteer based organisation since beginning in New Zealand in 1885.
- ▶ Volunteers are involved with every area of St John activity and at all levels. Our volunteers are delivering our products and services and assisting in support service roles.
- ▶ The estimated total value of time given by St John volunteers is \$30 million each year.
- ▶ St John volunteers range from a six year old Penguin member to a 101 year old Caring Caller. The time they contribute spans from 10 minutes a day to many hours every week.
- ▶ Every year our volunteers are recognised with service awards – ranging from three year service badges to awards for 67 years of service.
