Quick Start Guide
Sending a St John Medical Alarm Service referral from Medtech32

The St John Medical Alarm Service online referral form has been designed to make it easier for you to complete and submit a Medical Alarm Service referral for your patient electronically to St John. This guide has been created to show you the key steps involved in completing a St John Medical Alarm Service online referral form within Medtech32.

1. Open the patient record
Search for the patient and open their medical record in Medtech32.

2. Select the HealthLink icon
Select the HealthLink icon above the patient details banner.

The HealthLink launch page will display. Select St John Medical Alarm Service from the Referred Services section.
3. Complete the St John Medical Alarm Service referral form

The St John Medical Alarm Service referral form will display and is very similar in format and functionality to a DHB eReferral form.

Complete the relevant fields under each tab on the left. You can park the form if you want to work on it later.
