FRONT COVER: Richard Blundell KStJ is invested as a Knight of the Order of St John by Sir Jerry Mateparae GNZM QSO KStJ, Prior of New Zealand, at the investiture service held at St Patrick’s Cathedral in June 2014.
Kia ora, ngā mihi ki a koutou – Greetings to you all

It again gives me great pleasure to introduce the St John Yearbook in my third year as Prior of the Order of St John in New Zealand.

The book this year records strong growth in the Order of St John affairs locally and the Priory’s commitment to supporting the international office in London, and in particular in its work at the St John Eye Hospital in Jerusalem.

Throughout the year I have again had the opportunity to engage with members of St John in a number of forums. I have enjoyed presenting Grand Prior’s Awards to Youth, attending Chapter meetings and participating in two investiture services. These are opportunities for us to come together to celebrate achievement and recognise the great work that members do in the name of St John.

Since the Order was established in New Zealand 129 years ago, it has evolved and adapted to meet changing needs and remain both relevant and vibrant. Throughout these changes, what has remained constant is the dedication of its members to serve the community.

Our members are ambulance officers, first aid trainers, Caring Callers, Friends of the Emergency Department, health shuttle drivers, event volunteers, fundraisers, Youth leaders and Area Committee volunteers just to name a few. And together, these St John people provided support or services to one million people across New Zealand last year. We take this opportunity to recognise you all for the commitment you make and for the worthy role models you are in your communities. As Prior, I thank you for all that you do for St John in New Zealand.

For some members of our Governance team, this has been their final year of office as the triennial period ended on 24 June 2014. For those not continuing in these or other roles, I thank you for the service you have given and the contribution you have made to the Order during the past three years. To those just starting in new roles, I look forward to working with you as members of Chapter and further progressing the development of the Order.

In particular, I acknowledge the service of Mr Garry Wilson KStJ, our Chancellor, who completed his term of office. I am pleased that he will be continuing his contribution to St John both as a member of the Priory Chapter and through his involvement with the international Order committees. I welcome Dr Steven Evans KStJ as the new Chancellor and wish him well in this role.

I look forward to meeting many of you over the coming year and hearing more about the great work you do improving the health and well-being of people in New Zealand.

Lt Gen The Rt Hon Sir Jerry Mateparae GNZM QSO KStJ
Prior and Governor-General of New Zealand
I have really enjoyed my time in the role of Chancellor and the opportunities it has brought.

I have met some of the nicest people in the world both here and overseas and I continue to be impressed by the efforts so many put into helping their fellow man and serving our communities and in particular those in need. We achieve real, practical and useful outcomes – these are our strengths.

After six years with St John as Chancellor, my term came to an end on St John’s Day in 2014. I am happy to have been able to make a small contribution and to help take St John forward.

Raising the profile of Order matters
St John’s business plan deliberately includes a key section on Order matters. As a result of this emphasis, the engagement and attention given to Order matters within the St John Priory of New Zealand has increased significantly – and to very good effect.

As part of this increased focus, Chapter established a formal subcommittee for the oversight of Order affairs. Under the guidance of John Strachan GCStJ as Chair, and with the support of representatives from each region, the team has worked diligently on a number of important issues. As a direct result of their efforts we are quickly starting to see benefits of the growth of the Order community and feel a new sense of vigour as local Order communities are established.

During the last year, a position within the national office was created – the Head of Order Matters. Gary Salmon KStJ was appointed to that role in February 2014. Gary brings a breadth of knowledge and experience to the role. Order Affairs Committees have been established in all regions and we are now seeing increased local activity as a result of the work being done by the members of these committees.

As I hand over the reins, I am confident that the work of strengthening the engagement of the Order in New Zealand will continue.

An association that will last
During my time with St John, I have immersed myself in many aspects of St John life, working with every business function and focused on helping build a better St John, better able to meet the needs of our communities. We have strengthened our business systems and processes and built a very strong executive team. I will continue my involvement with St John, initially on Chapter as past Chancellor and for 12 months I will serve on the International Steering Committee and chair the Risk and Audit Committee of St John International.

In addition, I have worked with ambulance service providers throughout New Zealand and I am pleased by the more collaborative, more trusting relationship St John, Wellington Free Ambulance and the Air Ambulance teams have forged. The new St John Chancellor, Dr Steven Evans KStJ, has asked me to continue to work on the Clinical Control Centre joint venture board, to build on those relationships.

I wish Steve and the St John governance and management teams well. St John is in good shape, we have a good approach to our strategy development and I am sure with that the Order will continue to play a strong role as St John continues to deliver benefits for patients, customers, partners and its people.
The role of Chancellor is a privileged appointment in New Zealand which I look forward to carrying out.

As I take on this role I am looking forward to visiting St John members and facilities all over New Zealand, seeing our people at work in their local communities, and the diverse community activities involved. It will also be important to acknowledge and continue to strengthen our relationships with community stakeholders.

I have spent time with outgoing Chancellor, Garry Wilson KStJ, and intend to continue with the strengthening of Order member engagement and the strategic direction that he has encouraged. I also want to get around New Zealand as much as I can to meet you and to understand how the Priory Chapter and Priory Trust Board can assist you in your endeavours on behalf of St John in your communities.

Community engagement

Some goals for my term as Chancellor are:
• ensuring that regional governance is valued and supported
• ensuring the best possible clinical management of patients cared for by St John
• encouraging St John Area Committees to be integrated into their communities and to promote St John as a preferred healthcare provider
• ensuring that St John Youth remains a vibrant and vital part of St John growth and development
• communicating to our people and the public the good news stories of St John activities and events and celebrating the heroes in those stories.

Continuous improvement

As Chair of the Priory Trust Board, I will be involved with my team and the Executive Management Team, ensuring St John is heading in the right direction and taking on appropriate new opportunities.

This will include continuing to develop high patient care standards and looking after and growing our Youth activities. Community programmes will be a special focus of attention for me, making sure our programmes deliver services that contribute to the improvement in the health and well-being of our communities. I want to make sure we look after our people – those who tirelessly carry out the delivery of all our services with such dedication and skill.

Strong governance

I am also looking forward to continuing to improve our governance structures so they are strong and relevant and that members in these positions are able to serve St John to the highest of their abilities, using their particular skill sets. St John has a bright future ahead, especially in emergency care with electronic patient records and in primary health as the principle provider, most notably in New Zealand’s rural communities.

The inception of the Order Affairs Committee has laid a strong foundation for enhancing the engagement of Order members and the focus on Order matters in general and I look forward to playing a part in the positive changes that are taking place.
This last financial year seems to have flown by. It has been a very successful one for us in many ways.

Our ambulance service has got to more patients more quickly than ever before; we have looked after more customers than ever before; and the survey which over 4,000 of our people responded to showed that, whilst not everything is right in St John and we still have much to do, there is a general sense of optimism, that we are on the right track with our new strategy and that we are communicating better with our people.

One of our seven strategic goals is to strengthen the Order and I believe we have made good progress over the last year. The appointment of Gary Salmon KStJ as Head of Order Matters and the focus on Order affairs at a regional level has significantly strengthened Order member engagement. The establishment of the Order Affairs Committee, reporting to Chapter, and the Regional Order Affairs Committees, with agreed delegations, has provided new opportunities for Order members to be involved. The restructure of the regional management roles is still progressing but also adds to the improvement and communication with our Order membership.

Our outgoing Chancellor, Garry Wilson KStJ, has done an excellent job in ensuring we have strong governance and risk management arrangements in place to run our large and complex organisation, and also in creating much greater transparency at Board level over the quality and cost effectiveness of the services we provide. Garry has also played a key role with St John internationally on behalf of our Priory and has laid a very good foundation for our new Chancellor, Dr Steven Evans KStJ to build on.

I believe we are in a fantastic position to really move St John forward over the coming years. We have a clear strategy, the support of Chapter, the Chancellor and our Boards, and a membership which is committed to seeing improvements for our patients, our customers and our communities.
Saving sight, changing lives

St John of Jerusalem Eye Hospital Group (SJEHG) is the leading provider of expert eye care in the West Bank, Gaza and East Jerusalem. Our sight-saving work is carried out to the highest international standards and delivered against very challenging and difficult odds. Patients are treated irrespective of ethnicity, religion or ability to pay.

Services provided by our hospitals in Jerusalem and Hebron, clinics in Gaza and Anabta and the Mobile Outreach Programme, all enhance education and employment prospects while contributing to economic growth. Providing care to marginalised communities is one way in which St John is improving life for many in the region.

West Bank is subjected to a severe system of movement restrictions due to the Separation Wall, settler only roads and numerous checkpoints. Locating services within these areas has enabled greater numbers to access care locally. Anabta Clinic is accessible to one million residents who number amongst the poorest in occupied Palestinian Territory. Hebron Hospital serves 600,000 residents particularly impacted by movement restrictions. Gaza is home to over 1.5 million Palestinians, 1.2 million of them refugees. Our Gaza clinic, established in 1992, will be rebuilt as soon as formal authorisation is granted to begin construction.

Education of local medical personnel is a priority for St John. During 2013, four doctors completed sub-speciality training and nine nurses completed post graduate training in ophthalmology.

During 2013, 114,000 patients were seen, 37,000 of which were children. Over 4,300 sight-saving major operations were performed.

The Diabetic Retinopathy Screening Programme screened 12,000 patients in 2013. Of these, 2,000 received treatment in the form of drugs, laser sessions or surgery. This three-year programme, which aims to examine up to 40,000 patients, is operating in highly disadvantaged communities in the occupied Palestinian Territory where avoidable sight loss from diabetic retinopathy is very high. A major new donor of this programme is The Fred Hollows Foundation of Australia.

Here in New Zealand, the St John family continues to extend valuable support to assist SJEHG. In 2013/14, your combined giving totalled $259,000. This generous response contributes to improving sight and opportunities for our patients and their families.

You can learn more about the SJEHG by visiting www.stjohneyehospital.org.

Our work changes lives, thank you for your support which continues to make a very real difference.

NZ sponsored nurse saves sight at Eye Hospital

Samia Yacoub works as a staff nurse at the main St John Eye Hospital in Jerusalem, where she is sponsored by the Priory of New Zealand. She currently works in the Cornea Clinic, where she helps to treat keratoconus, a degenerative disorder which causes severe distortion of vision and light sensitivity.

Samia finds it immensely rewarding to be able to help the needy and poor and is extremely thankful for the ongoing sponsorship of her role.
St John chaplaincy has come of age with 70 volunteers throughout New Zealand making it one of the largest body of chaplains in the country. We are making steady progress towards our aim of providing a chaplaincy service to all St John members, their families and patients under St John care.

The chaplaincy leadership team of The Rev Mark Sullivan in Northern Region, Archdeacon David van Oeveren in Central Region and The Rev Richard Gray in the South Island Region has met regularly and reviewed our recruitment and induction of chaplains. In the light of our growing experience, we have also reshaped our expectations of chaplains.

We are grateful for the support we have received from St John management with the appointment of chaplaincy support personnel in each region and wish to acknowledge the professional support we have received from Jan Houston, Dennis Dufty and Gael McKechnie. We welcome Michael Anderson into his new role with us in the Central Region, replacing Gael. We are grateful that chaplaincy now has its own line in the St John budgetary process.

Our annual conference of chaplains continues to be a highpoint for our year. It is an opportunity for chaplains to gather for mutual support and for professional development. St John is a foundation member of The Association of Professional Chaplains in Aotearoa New Zealand, a collective of the principal chaplaincies in New Zealand. We have agreed to hold each other accountable for maintaining high professional standards and are hoping to develop joint training opportunities.

A year ago I took up the newly created role of Volunteer Advisor and I am pleased to be able to reflect on what has been achieved in that time. Volunteering is the lifeblood of St John with around 8,400 adult volunteers who contribute over three million hours to the work of the organisation every year. St John wants to enhance the volunteer experience and continue to develop ways to use volunteers to serve the communities we live in.

To address volunteer sustainability, a five year Volunteer Sustainability Strategy and Implementation Plans have been developed to take effect from 1 July 2014. In year one we have secured dedicated funding to focus on recruitment and induction as a key priority, and will tackle other recommendations as deemed realistic and achievable.

During the year we have also reviewed and increased volunteer duty allowance and reimbursement rates, promoted International Volunteers Day and National Volunteer Week, and developed videos to raise the profile of volunteering on the St John website.

Without the huge contribution of volunteers we could not deliver St John services across New Zealand. I would like to thank all our volunteers for the time they give so willingly and the passion which they bring to the organisation.
During the last year investitures were held at Nelson and Auckland at which 73 postulants were either admitted to or promoted in our Order.

It is always pleasing to see the number of new postulants for admission and the gradually increasing number of younger postulants. It is also humbling to read of the vast array of community service that has been recognised by these admissions and promotions.

Four of our members have been recognised on Royal Honours Lists. One promoted to Commander of The Royal Victorian Order; one appointed as a Member of the New Zealand Order of Merit; and two recipients of The Queen’s Service Medal.

The establishment of the Order Matters team and the three Regional Order Affairs Committees is resulting in a heightened awareness of our Order and its importance and relevance within our various communities.

While we seek to enhance the future health of our Order, we must also continue to preserve our history. We have made excellent progress with the establishment of the national St John Archive in Auckland and the St John Archive Unit at Christchurch.

Two further ambitious projects are underway. One somewhat challenging project is the intention to record all the Service Medals and clasps awarded in New Zealand since the inception of the medal. Secondly, building on the volunteer work undertaken in Auckland and Christchurch, we are now moving to develop a national archives policy.

Our Priory’s Roll as at the end of June stands at 1,681 across all grades of the Order. Work on the confirmation of the Roll continues and I am indebted to John Strachan for his ongoing support.

Finally, at the end of my first triennium as Registrar, I would like to acknowledge the outgoing Chancellor, Garry Wilson KStJ, my Priory Officer colleagues, Chapter members, Order Matters team and key management staff, whose support and advice over the past year have been invaluable.

In presenting this report, I must acknowledge the tremendous contribution made by Peter Wood KStJ in his time as Director of Ceremonies until his resignation in February 2014.

Peter reported last year on the initiation of a trial of Saturday investitures in Palmerston North and Nelson. At the conclusion of that trial, a survey of all Order members was conducted seeking their input into the ongoing format. Nearly 15% of Order members surveyed responded with an overwhelming majority favouring the one day Saturday format – with the focus clearly on the postulants. Shifting the investiture service to earlier in the day and following it with the investiture lunch at which the postulants are honoured, also met the concerns of many recent postulants and their guests.

Chapter subsequently endorsed the Order Affairs Committee’s recommendation to follow the one day format, which was adopted in Auckland in June this year and used in Dunedin in November. This format is already receiving general acceptance.

Investitures in 2015 will be held in Christchurch in June and Wellington in November.
This year 64 postulants were admitted to or promoted in the Order of St John. Investiture services were held in Nelson in November 2013 at Christ Church Cathedral and in June 2014 at St Patrick’s Cathedral in Auckland.

ORDER AFFAIRS COMMITTEES

The driving force behind Order affairs development is the leadership of John Strachan GCStJ as Chair of the Order Affairs Committee.

Over the year the Order Affairs Committees have been actively raising the profile of Order matters nationwide.

- Three Regional Order Affairs Committees have been established.
- A Chapter Handbook has been prepared for Chapter members.
- A new honours handbook has been commissioned.
- A DVD has been produced which showcases the history of the Order of St John from its early beginnings.

CHAPLAINCY

Priory Dean Monty Black CSTJ presides over the investiture service at St Patrick’s Cathedral in Auckland.

We now have 86 chaplains in the St John family. At the National Chaplains Conference in Wellington, chaplains gathered to share experiences, support each other and undertake professional development.
The Youth are our future and this year 107 individuals were presented with the Grand Prior’s Award. Kristen Vanderschantz from Tauranga Youth Division was invested as both national and regional St John Cadet of the Year.

Service Medals and bars were awarded to 414 members. These recognise the vital service given by our dedicated people.

Sir Jerry Mateparae GNZM QSO KStJ succeeded Garry Wilson KStJ as Chancellor. Steve has a wealth of experience in the governance, strategy and workings of St John. He began his association with St John in 1990, as a member of the Hamilton Area Committee and has held many positions throughout St John. As well as his role as Chancellor, he currently sits on the Clinical Governance and Nominations Committees and is Chair of the Priory Trust Board.

Dr Steven Evans KStJ succeeded Garry Wilson KStJ as Chancellor. Steve has a wealth of experience in the governance, strategy and workings of St John. He began his association with St John in 1990, as a member of the Hamilton Area Committee and has held many positions throughout St John. As well as his role as Chancellor, he currently sits on the Clinical Governance and Nominations Committees and is Chair of the Priory Trust Board.

In February 2014 Gary Salmon KStJ was appointed as Head of Order Matters. The role provides leadership to the strengthening of Order member engagement.
In December 2013, the St John Association of Kenya was inaugurated in Nairobi as the ninth Priory of the Order. Major Marsden Madoka, who is well known in Kenya, was installed as the first Prior.

Around 618,000 people lost their homes as a result of typhoon Haiyan which hit the Philippines in November 2013 and, according to the United Nations, 9.5 million people were affected. Johanniter International Assistance, the department responsible for humanitarian assistance within the German St John Association and Johanniter International member Johanniter-Unfall-Hilfe worked with local partner organisation, the Balay Mindanaw Foundation, to support the affected people. Assistance included providing first aid and medical care, bringing relief supplies, distributing food packages, training local volunteers and providing clean drinking water.

In November 2013, Professor Anthony Mellows announced that HM The Queen, as Sovereign Head of the Order of St John, had approved the selection of Dr Neil Conn AO GCStJ to be his successor as Lord Prior from St John’s Day, 25 June 2014.

Each year over 300,000 women and one million newborn babies die from maternal health and newborn complications in sub-Saharan Africa. The St John Mama na Mwana (Mother and Baby) programme focuses on preventing these needless deaths through community led health programmes. These now operate in South Africa, Uganda and Zimbabwe and activity has started in Kenya, Malawi and Zambia.

New Zealand is well represented in its involvement with the Order of St John internationally and is seen as a best practice example in many cases. Garry Wilson KStJ currently serves on the International Steering Committee and is Chair of the Risk and Audit Committee of St John International.

Dr Norrie Roy Jefferson OBE KStJ ED

Dr Norrie Jefferson died on 6 December 2013 in Dunedin.

He joined St John in July 1949. In 1959 he was appointed Superintendent (Dunedin Corps) and District Commissioner, Otago, in 1963. He held this position until his transfer to Invercargill in 1970, where he was again District Commissioner. There he was employed as a radiologist at Kew Hospital, returning to Dunedin Hospital in this role in the late 1970s.

Norrie was elected Chair of the Otago Centre in 1982. He oversaw the creation of the Otago Regional Ambulance Service in 1986 and the subsequent creation of the Southern Region in 1987, being its first Chair.

Norrie was actively involved in sports medicine, particularly with paraplegics and other physically disabled athletes, and was appointed an OBE for services in this area. His services to the Army were rewarded with the Efficiency Decoration.

In 1969, Norrie was admitted to the Order as an Officer, and was promoted to Commander in 1971 and Knight of Grace in 1984.

Richard Henry Lindo Ferguson CBE KStJ JP

Lindo Ferguson passed away on 19 January 2014 in Mangonui. Over his 42 years of service to the Order of St John he made a significant contribution, both in the Northern Region and nationally.

Lindo joined the Northern Region Trust Board on 14 February 1972 as the Auckland City Council Representative when Sir Thomas Skinner was Chair. He served as an active board member until 1991 when he was elected Chair, a position he held until 1994. He was subsequently appointed Vice Patron, a position he held until he retired at our annual general meeting in 2013.

Lindo was a prominent and much respected ophthalmic surgeon in Auckland and gave a lifetime of service to his community. He was a long serving and elected member of many organisations, including the Auckland City Council, and was a former Deputy Mayor, former Chancellor of the University of Auckland, member and former Deputy Chair of the Auckland Regional Council and Director of the Ports of Auckland.

Lindo enthusiastically supported the arts and conservation, and most recently devoted his time to his private museum at Butler Point. He was a board member of the Auckland Institute and Museum Council, former Chair of the Auckland City Art Gallery and former Chair of the Auckland Museum Trust.

Lindo was also the foundation Chair of the Youth Family Trust and trustee and past Chair of the Logan Campbell Trust.

He was appointed a CBE for services to the community in 1987. Lindo was admitted to the Order as an Officer in 1974, promoted to Commander in 1976 and promoted to Knight of Justice in 1993.
Service Medals and bars recognise the many years of service and the outstanding contribution given by St John members.

The Service Medal of the Order of St John is unique as it is the only medal still issued that retains the image of Queen Victoria and the only one which has her facing to the right. It was first awarded in New Zealand in 1908.

The Service Medal is awarded for efficient service after 12 years, with a bar to the medal available for every subsequent five years of service. The Gilt Laurel Leaf was instituted in 2004 and is awarded after 52 years of service.

The Service Medal is accorded a place in the New Zealand Order of Wear: Orders, Decorations and Medals, approved by The Queen.

Service Medals and bars were approved for the following for the year ending 30 June 2014:
